

On This Side Of The Sun

By Phat

PERSONAL—Arrived in Palm Springs just two years ago Wednesday to become what the bureau of internal revenue pleasantly terms "gainfully employed." But am now a confirmed Villager. Last week was the longest period spent away from the Village since Aug. 30, 1942, and was I glad to get back. Back to where you can get Ethyl gas and your favorite brand of cigaret—almost always, anyway. And you don't get shoved around by milling mobs all bent on going nowhere but fast.

VILLAGES—Still it was nice in Westwood. It reminded me of Palm Springs. Motorists drive as screwy there, double park, turn in the middle of the block and believe STOP spells GO. And pedestrians jaywalk with the same utter abandon. One of the most pleasant things about being home for a week, though, were the stockings hanging from the towel rack in the bathroom. Had almost forgotten that homey touch.

THE VILLAGE—The supreme optimist was unearthed this week. He is a Pasadena resident who wrote to friends here that he would like a nice comfortable house, close in, in the Village at about \$25 a month. He isn't the only one who would like that. Fire Chief Bill Leonosio has acquired a set of chess men and the cribbage board which once was so busy between alarms is ignored while the chief puts his sweating aides through the intricacies of chess. He holds the edge on them because he studied up before he introduced the game at the fire hall.

CORRECTION—During my absence the Boss, Carl Barkow, slipped in a candid picture and scurrilous story about me and said that he thought "Why?" should be my favorite song instead of "Who?" So, he wrote, he had engaged Bill Thurman to write a song titled "Why?" Respectfully submit that there has for some time been extant a song by name "Why?" All but one of the five questions of a good newspaperman has been honored in song titles. "Who?" "Why?" "When or Where?" are all names of tuneless numbers. But no one has yet written a song entitled "What?" On second thought, wish I hadn't mentioned this. Mr. B. might think that was a better title than "Why?" for me.

MUSIC—"I'll Be Seeing You" is again the No. 1 song and several people have called my attention to the fact that "I Walk Alone" dropped instead of going up. So let's dismiss the subject. On the other hand, it may be that I am several weeks ahead of the Hit Parade. "White Christmas" which everybody played before Dec. 25 and few afterwards, did not make the Hit Parade until February and "Easter Parade" got on five weeks after Lent ended.

THIS AND THAT—The Chamber of Commerce is doing things up brown, according to Walter Kofeldt, secretary. Their letterheads and envelopes bear a brown imprint, their typewriter carries a brown ribbon and Kofeldt signs the letters in brown ink and uses two 1/2-cent stamps on the envelope—those stamps are brown, too. This may be of interest to those people who find trouble leasing apartment or home because of children: In Cleveland, Ohio, there is a landlord who rewards each tenant with a \$25 war bond for their first baby, \$50 for No. 2, \$100 for No. 3 and \$200 for the fourth. The Dionnes would have ruined him.

ODDS AND ENDS—The dictionary defines an "arcade" as an arched promenade lined with stores. But a Villager this week said he didn't think Walter Allen was doing right by the town by planning an arcade. He thought an arcade was one of those penny joints with peep shows and so on. Now that the paper collection deal is settled, save your waste paper. If every person saved only seven pounds per month, the crisis would evaporate.

POLITICS—A soldier showed me an application for a ballot for the November election. It was from the United A. F. of L. committee and on the outside bore a picture of F. D. R. and on the inside, this message: "This is an application for your California War Voter's ballot. We hope it will make it easier for you to vote in the elections this year in spite of Congress' failure to provide you by law with a simple voting (Please Turn to Page 5)

Old West Will Return In October

Plans For Parade To Usher In New Season Progressing

Herschel Moseley, president of the Los Compadres club, and Walter Kofeldt will get together within the next few days to discuss details of a Western day parade which will usher in the new season in Palm Springs. They plan to appear before the city council at its meeting next Wednesday night to ask permit for the parade which will include entries from all of the local stables, the B-Bar-H ranch, Los Compadres club and other riding organizations.

Date for the parade has not been definitely determined.

IN OCTOBER

According to Los Compadres president, Hutch Moseley, the parade will be held when all of the local stables are re-opened for the season, after the first of October.

Present plans call for the opening of the Palm Springs season in typical, traditional western fashion, along about the second week in October. This date may, however, be shoved back toward the end of the month as local shop owners say the demand for western apparel is already brisk and that depleted stocks may not be replenished until the middle of October.

Moseley will confer with Trav Rogers of Rogers stables Sunday on parade details.

OLD WEST TO RETURN

Rogers will have his stage coach and ranch vehicles in the march and cowboys and ranch wagons from the B-Bar-H will also be in line, although the B-Bar-H will not start its season until Nov. 1.

A full complement of riders from the Los Serranos club plus riders from the local stables, all in western costume, will be in line.

Secretary Kofeldt of the Chamber of Commerce is lending every effort of his organization to make the event a big success.

Rooms For Teachers In Demand

Living quarters for teachers—rooms, apartments, houses—were being sought today by Miss Katherine Finchy of the Desert School District, and Dr. E. E. Oertel, principal of Palm Springs high school.

With the start of school but only slightly more than two weeks away, heads of both the elementary and high school system asked Villagers who had accommodations to list them for incoming educators.

Secretary Walter Kofeldt of the Chamber of Commerce, has offered to act as intermediary between those having accommodations and the schools. He asks that rooms, apartments and houses available for school faculty members, be listed with him.

Many Important Items Scheduled At Council Session

Many important matters are scheduled to come before city council in its session next Wednesday evening.

Included in the program is the report of a special committee which has been studying purchase of the Field Club property and a report of the public works committee to which the request of Araby tract residents for flood prevention, was referred. The financial report for the fiscal year will also be presented.

P.O. Move Affected By Lease Suit

Having an important bearing on the proposed moving of the Palm Springs postoffice from its Palm Canyon drive location to the Plaza, a suit was on file today in Riverside superior court in which Mr. and Mrs. Ed Waskow of the Desert Furniture company seek to exercise an option they claim to have to renew their lease on the store rooms at Indian avenue and the Plaza.

The Waskow's suit, filed August 22 by Saul Ruskin, prominent Palm Springs and Los Angeles attorney, was directed against the Plaza company of which Robert Ransom is manager. In it the plaintiffs assert their lease contains a clause giving them an option to renew and they ask the court to restrain the lessor from taking possession of the property until the case is determined.

The Waskow lease expired yesterday. No date for hearing of the suit has been set and Mr. Ruskin said he had not been notified up to today of an answer filed by attorneys for the Plaza.

The postoffice this spring ad- (Please Turn to Page 5)

Applications For "A" Books Now Available

Application blanks for renewal of A gasoline ration books became available Monday of this week at the service stations, Chamber of Commerce and ration board.

The new books will be issued after Sept. 1 by the local war price and rationing board, William A. Lippman, chairman, said this week.

In outlining procedure for obtaining new "A" books, Mr. Lippman said the application blank must be properly filled in and mailed or left with the local ration board at its office, 622 North Palm Canyon drive, together with the old "A" book cover, which carries thereon your name and address. Your old tire inspection record must also be enclosed.

"If the applications and above items are in order, the board will mail out the new 'A' books after today. The first coupons in the new 'A' books will not be valid until Sept. 22," Mr. Lippman said.

"Please do NOT send in your white slip — your registration certificate—it is unnecessary," the chairman continued. "Several people have done this and it just makes more work for the clerks."

Because the renewal of "A" books will throw a heavy burden on ration boards, Mr. Lippman urged any who can spare the time to aid in the processing of applications to volunteer their services.

All Right... And So It WAS Hot!

In common with the rest of southern California, the desert went through its longest sustained heat wave this week with the mercury over 110 six days in a row.

The year's highest maximum was reached again on Sunday when the mercury climbed to 117, a mark also reached once in July.

Palm Springs, at that, although in the desert, was only four degrees warmer than Riverside and San Bernardino last weekend.

Cooler temperature recorded during the week was 61.

The record:

Date	Max.	Min.
August 24	107	61
August 25	111	61
August 26	116	64
August 27	117	67
August 28	116	69
August 29	113	67
August 30	114	67

Week-Long Fire Burns Itself Out

40,000 Acres Blackened South Of Palm Springs

Burning itself out today in sparse brush in desert territory miles from its point of origin near Table mountain, a fire which sent a pall of smoke over southern and eastern skies was reported under control with 40,000 blackened acres behind it.

The fire was one of two in Riverside county which swept 80,000 acres, destroyed some cattle, valuable watershed and kept hundreds of men and equipment from four counties busy five days.

CREWS WITHDRAWN

The second fire, along the San Diego county line, still raged today but crews were being withdrawn from the fire south of the Village.

A guard was being maintained along the side lines of the flameswept area but with favorable weather conditions prevailing, it was believed further damage in the Santa Rosa district was ended.

NOTICED HERE

Starting at about 7:45 p. m., Saturday, the blaze which filled the skies to the south and east with a smoke haze all week, raced out of Horse canyon and headed toward Lookout and Table mountains.

It was spotted by a pilot from the 21st Ferrying Group, Palm Springs army air base who notified Fire Chief Bill Leonosio. Chief Leonosio at once called the state forestry service but they already had been informed by a lookout and had crews on the way to the blaze.

SPREADS RAPIDLY

Roaring through the tinder-dry brush, the flames had already (Please Turn to Page 8)

War Chest Activities Start Soon

Plans for the second War Chest campaign in Palm Springs which is scheduled for October, will be ironed out at a meeting to be called by Chairman Tom Holland as soon as sufficient committeemen return from summer vacations, Mr. Holland said this week.

Last Friday night, Mr. Holland, Mrs. Billy Lipps, representing the Desert Shelter, Chief of Police Lyle J. Sanard, representing the Boy Scouts, Gordon Feekings, American Legion, Francis F. Crocker, new treasurer of the War Chest, Arthur E. Bailey, secretary of the War Chest and George Strebe, representing the theatres, went to Riverside to attend a meeting of the county War Chest committee.

A. B. West, county chairman, president, and Bill Fleming, county secretary, took care of the details.

Speakers from the California War Chest, Inc., were on hand to (Please Turn to Page 8)

Villager Hears Of Fate Of Family, Nazi Terror Victims In Yugoslavia

Eddie Haas, well known Villager, in charge of Bernard of Hollywood studio during the summer months, this week heard the first definite word from his family in Yugoslavia in many months. And it was sad news that was contained in a letter from an uncle who arrived with a few hundred other refugees from the south of Europe at Fort Oswego on Lake Ontario.

His uncle wrote that of the family group of forty in Yugoslavia when the Axis powers invaded, he was the only known survivor.

His uncle's letter brought Haas

Reach Agreement On Paper Salvage

REWARDED—Col. A. B. Jones, commanding officer at Torney General Hospital, rewards Reg Jones, Villager, for outstanding conservation ideas. (Phil Kasper Photo.)

Highest TGH Award Given To Reg Jones

Highest civilian award to be won by a Torney General Hospital employee under the Employee Suggestion and Award program of the War Department, was presented Tuesday by Col. A. B. Jones, commanding officer of Torney, to Reg Jones, head operating engineer in charge of the hospital's power and heat.

The award of \$200 was made on an interconnection plan between heating plants, which is now in operation at the hospital with an estimated annual saving of \$10,650 in labor plus \$425 saving in oil consumed.

By the installation of interconnecting pipe lines between medium and low pressure heating plants four heating systems have been tied together so that operation of only one plant is necessary at the present time.

A similar suggestion submitted by Mr. Jones before inauguration of the Employee Suggestion and Award Program, was put in operation some months ago with an estimated annual saving of \$8,400 to the hospital.

Mr. Jones, who has been a resident of Palm Springs since 1927, is one of the earliest employees to join the staff at Torney where he reported to the Post Engineer, May 19, 1942. Previously he had been in general contracting in this district.

Palm Springs Youth On Annapolis List

Francis Clepeen Taylor of Palm Springs has been named alternate in appointments to Annapolis Naval academy, according to Congressman John Phillips.

Top mark was won by Richard J. Peterson of Santa Ana. Taylor will take another examination next April at which time entrants to Annapolis will be finally determined.

Schools Ready For Opening September 18

Plans for the re-opening of Village schools were being completed today and all buildings of the Desert (Elementary) district and Palm Springs high school will be ready for the big day—two weeks from next Monday.

For the first time a maintenance man has been kept on full time at the Desert district schools, and much of the time two men were on the job, taking care of the many details involved.

TO BE BACK SOON

Miss Katherine Finchy, superintendent of the Desert district, who spent the summer months in West Los Angeles, putting in part of her vacation at Riverside on school business, will return to the Village soon.

Dr. E. E. Oertel, principal of the high school, who was here much of the summer on school business, also expects to be back from Alhambra soon.

LOOK FOR HOUSES

At present the chief concern of the school heads is finding living accommodations for the teaching staffs. The high school faculty is complete but some changes will be made in the Desert district staff. It was learned this week that Miss Lucille Nixon, principal at Cahulla school, will not return this year having accepted a position in Orange county where she will be nearer her family.

Staffs for the other schools which are Frances S. Stevens, Nellie Coffman Junior high and Cathedral City, are completed with one or two exceptions.

ON SCHOOL BOARDS

The Desert district board numbers Francis F. Crocker, Mrs. Nellie Coffman and Mrs. Culver Nichols.

On the high school board are Charles Burket, Dr. Frank A. Purcell, Francis Crocker, Eugene E. Theriault and W. R. Hillery.

Mr. And Mrs. Boyd And Family Return

Assemblyman-elect Philip L. Boyd and family returned Tuesday of this week to the Village for the new season.

Between now and January when he goes to Sacramento for his first legislative session, Mr. Boyd plans to further familiarize himself with the needs of his large district.

The Boyds spent much of their time in northern Michigan and report a delightful vacation.

New Paper Corral Will Speed Drive

Salvage Chairman Completes New Collection Plan

Walter Illick, Palm Springs Salvage chairman, announced yesterday that arrangements to handle the vast accumulation of waste paper in the Village had been completed and that this very necessary vital salvage campaign would now be speeded.

Through the co-operation of William Vieth, local Indian agent, and the Palm Springs Tribal committee, a new paper corral has been established just east of the ball park on Indian avenue. The road to the corral will be plainly marked by signs by Illick, both on Indian avenue and on the way in.

FOLLOW THE ARROWS

"Follow the white arrow signs and dump your contribution carefully in the wire fenced enclosure," said Illick.

"The need for waste paper, especially newspapers, magazines and old cartons has never been more critical. Some of the wood pulp which should go into new paper is being diverted into making cardboard containers for war uses. Scrap paper is vitally needed to save this wood pulp for other purposes.

"Tie your old newspaper and magazines into bundles, not over 50 pounds to a bundle.

SCOUTS WILL HELP

"If you have absolutely no way to take your bundles to the corral, contact Chief of Police Lyle J. Sanard, Scoutmaster, who will see that some of the local Boy Scouts collect the waste paper.

"Please tie your bundles well as they have to be shipped to paper mills in Los Angeles.

"Rags of all kinds can be bundled and taken to the corral, too.

"Next to waste paper, waste (Please Turn to Page 8)

Quest For Realism Succeeds

A small boy who wanted a realistic "airplane crash" was the cause of a brush fire in the Araby district Monday afternoon which threatened a wide area but was quickly subdued by the fire department.

The lad, whose name was withheld by Fire Chief Bill Leonosio, was flying a model plane. Wishing to simulate a real crash, he let it go headlong into the ground. As it hit, he tossed a lighted match into the wreckage.

The operation was highly successful. In fact, too successful. Not only did the plane's wreckage blaze but so did the surrounding grass.

Fortunately, adults near the scene spotted the danger immediately and sounded the alarm.

The fire department quickly had the situation in hand.

Labor Day Will Be Observed In City

Palm Springs will observe Labor Day with the usual closing Monday. Many merchandizing establishments will observe the day and the bank and city offices will be closed.

The Desert Sun office will also be closed Labor Day.

Many New Stamps Effective Today In Ration Book 4

Five more blue stamps, good for the purchase of processed foods became good today.

They are G5, H5, J5, K5 and L5. All are good indefinitely.

Blue stamps, valid at present, include A8 to Z8 and A5 to L5.

Sugar stamp No. 33 in Book 4 also became valid today, good for five pounds of sugar. No expiration date was set.

Four new red stamps, for meats, cheese, butter and so on, also became available today. They are E5, F5, G5 and H5. Meat stamps formerly became valid every other Sunday but with the change in meat point values, are now issued on or about the first of the month.

Mr. and Mrs. Alvin Weingarten returned to the Village this week after a summe spent in Redlands.

Mr. Weingarten, prominent local insurance man, at once got back into the thick of his business at the Plaza.

It was kinda cold at times but altogether an enjoyable vacation according to Mr. and Mrs. Chester C. (Slim) Moorton of the Museo del Desierto, 278 North Palm Canyon drive. They spent the summer in Washington state.

Munholland Wears That Grand-Pa Grin As New Boy Arrives

John H. Munholland was in the Village Saturday—smiling and happy.

He had just received word that he was grandpa again. Joining his two other grandchildren was a grandson born to Mr. and Mrs. James M. Munholland of Long Beach. The new arrival has been named James.

The new arrival's dad is deputy city clerk of Long Beach.

Masonic Club to Resume Formal Meetings Oct. 31

A large gathering of local Masons turned out Tuesday noon at the Del Tahquitz hotel for the monthly informal summer meeting of the Palm Springs Masonic club.

Frank V. Shannon, president, made the trip to the Village from Banning, where he is spending the summer, to reside.

Another informal session will be held the last Tuesday of September and formal meetings will be resumed October 31.

Dr. Warren F. Fox Reappointed for Indefinite Term

Dr. Warren F. Fox, county health commissioner, was reappointed to that post when supervisors met Monday.

His term would have expired this month. To avoid the need of another appointment at the end of the new term, supervisors made this week's appointment good for an indefinite period.

All States Society to Picnic Sept. 9

Secretary Paul S. Dietrick of the All-States society, rallied natives of all states, now in southern California, to a great picnic scheduled for Sept. 9, California's admission day, in Bixby Park, Long Beach.

All of the usual features of state picnics will prevail plus the appearance of Gov. Earl Warren.

Mickles Return to Prepare For Season

Mr. and Mrs. J. P. Mickle returned to the Village this week and are preparing to re-open their place, Casa Margarita, at 336 Paseo El Mirador, about October 1.

They are anticipating a busy season.

Rotarians Gather In Informal Session

Rotarians met in summer session Wednesday noon at the Del Tahquitz club with Assemblyman Philip L. Boyd as special guest.

Mr. Boyd won the attendance prize and Col. A. B. Jones, commanding officer at Torney General Hospital, was designated to furnish next week's prize.

ARMY CONSERVATION SAVES MILLIONS

Savings of \$2,000,000 by the Army Quartermaster Corps during the past fiscal year by repairing clothing, equipment and general supplies for re-issue is directly traceable to strict adherence to the War Department's extensive conservation program, the Headquarters' Quartermaster Corps at Fort Douglas, Utah, home of the Ninth Service Command, was informed today.

Dignity consists not in possessing honors, but in the consciousness that we deserve them.—Aristotle.

Sports

HQ Blues Wind Up Schedule With Ten Wins, One Defeat

Headquarters Blues of the Army Air Base cinched first place in regular play in the Palm Springs Softball loop when they defeated Haggerty's Hornets in their final scheduled game Tuesday night, 9 to 3. The victory gave them ten wins in eleven starts, their only defeat having been at the hands of Torney General Hospital, in second place.

Torney lost a chance to tie the Blues when the latter won Tuesday, for even if they take their remaining two games, they will still be a game behind.

HQ OFFICERS WIN

In the only other game this week, Headquarters Officers won from the Medics, 6 to 5.

With the Blues and Torney, the 60th Sandblasters and Sidewinders, the latter the only civilian team in the loop, are certain to play in the elimination play off of the top teams. Play in this tourney starts Monday at the Field Club. The two other teams to enter the play-off have not yet been determined but those with a chance are the Headquarters Officers, seemingly certain of fifth place, and the Medics, 72nd Officers and Headquarters Reds.

HOW THEY STAND

The standing of the loop yesterday:

	W	L	Pct.
HQ Blues	10	1	.909
Torney Hosp.	7	2	.777
60th Sandblasters	3	3	.727
Sidewinders	7	4	.636
HQ Officers	6	4	.600
Medics	5	5	.500
72nd Officers	5	5	.500
HQ Reds	4	5	.444
Haggerty Hornets	4	7	.363
Quartermasters	3	8	.272
73rd Officers	2	8	.200
Base Operations	0	11	.000

Mrs. W. S. Pickering and son, Malcolm, arrived home Monday after a three-month vacation, visiting her parents, Mr. and Mrs. F. L. Spease of Enumclaw, Wash.

Deer Season Will Open Sept. 16 With Conditions Ideal

Riverside county deer hunters will have a chance to bring in a buck Sept. 16 if they are interested, said Nelson Dilworth, for years assemblyman from this district and now candidate for the state senate on the republican ticket.

"The legal open system which I wrote into the law in 1937, my first legislative session, has remained unchanged. The closures the last two years were army security measures. The emergency open season last year in no way changed the legal dates established in 1937," Mr. Dilworth said.

He said there should be plenty of deer available and warned hunters to get their licenses and deer tags early.

"Hunters should also inform themselves of game refuge boundaries and closed fire areas.

"Conditions for deer hunting should be ideal. It will be a way to supply the family larder without red points."

Reminder Issued 18-Year-Olds On Draft Registration

Chief of Police Lyle J. Sanard, registrar for the selective service in Palm Springs, today reminded youths just turning 18 years of age or who will be 18 years old soon, to come in and register for the draft.

The law requires all youths to register on their 18th birthday or on the day following if their birthday falls on a Sunday or a legal holiday.

Chief Sanard is also registrar for men discharged from the service.

COLORFUL UTAH FORT HOME OF COMMAND

Home of the Ninth Service Command Headquarters is Fort Douglas, outside of Salt Lake City, Utah. It was established in 1861.

"I Rise to Remark"

By CONGRESSMAN JOHN PHILLIPS

Here are a few suggestions for the New Deal: This is written on the train rolling merrily across the fertile fields of California (41% of whose land is now owned by the government), Nevada (78%), Utah (68%) Wyoming (45%), on the way to Omaha for a conference, and from there to Washington.

With uncountable (and unaccountable) agencies of government controlling every phase of life from the cradle to the grave (for you have to get a certificate that you're born and a permit to be buried) you wouldn't think that anything had been overlooked, would you?

Take food containers, for example: You know the standard set of four. The big one is marked "Flour" and the others "Coffee", "Sugar", "Tea". Do they hold Flour, Coffee, Sugar, Tea, as marked? In the year 1891, a set in Lititz, Pennsylvania, was known to have been used as marked, but this is the only recorded case, and it is understood that shortly afterwards the Flour container was used for pretzels, and the others for normal uses.

An average investigator would discover the Flour container holding sugar; the Sugar container half full of salt; the Coffee container holding tea bags, and the Tea container holding the peppermints your wife is trying to save for next Sunday's dinner, when the children are expected home.

I don't see how the New Deal overlooked this opportunity. The KCA (Kitchen Container Administration) could offer jobs to thousands, among them the investigators recently discouraged by publicity in this column and others from continuing the questionnaires in which they asked for the names of all your friends; how many times you had visited them last year; which church you attended; if you had changed churches, and whether you now attended more frequently.

I probably should have saved that suggestion until after election, but then the New Deal may not have the same opportunities after November, if the Democrats and the Republicans stage a

comeback.

Then there is the problem of bow ties. In my youth no self-respecting blood would be seen in public with a "made tie." We tied our own. The thought of a bow tie fastened to an elastic garter, snapped around the collar, was not in the groove, but definitely. Today I find the modern rug cutter doesn't even know how to tie a bow. What an opportunity for the NYAEBT (National Youth Administration for Bow Ties) to replace the now happily defunct National Youth Administration, and of course absorb the former employees of the NYA. Under those conditions I have no doubt the NYAEBT would have the immediate support of the First Lady of Washington, now better known as the First Lady of All Places.

Think of the unlimited New Deal possibilities in women's hats. What could be more New Dealish in design than women's hats? A window full of them looks just like a New Deal Plan for the Future of the United States.

The NWHDRRA (National Women's Hats Regulation and Rationing Administration) could employ, design and regulate to an extent that would make even the OPA jealous. For example, when is a hat not a hat? If the OPA can put out pages and pages of 8 pt. and 10 pt. regulations to describe hamburger and how to bake a cake, what couldn't the NWHDRRA do with hats!

Is a yard of ribbon a hat or not a hat? Are flowers in the hair to be classed as hats. If real flowers, do they come under the jurisdiction of the Department of Agriculture, and if synthetic, is a certificate of non-essential material required from the WPB? Must Judge Vinson decide, or Justice Byrnes? Should Frances Perkins be transferred to the NWHDRRA in charge of the Bureau of Design, or should she be left where she is, and by the way where is she?

I rise to remark that we asked, by our votes, for centralized government and regulations, and we're getting them. I'm only trying to be helpful.

Field Club to Be Scene of Softball District Finals

Southern Security Playoffs, the second phase of the Ninth Service Command Area Softball Tournament to determine the military championship in the eight western states, will be held at the Palm Springs Field club today, tomorrow and Sunday, under the supervision of the Torney General Hospital Special Services Branch.

Games will be played in the early morning, late afternoon and evening and are scheduled for 8:30 and 10:30 a. m., and 7:30 and 9:00 p. m. today and Saturday. Sunday the games will be played at 5:30 and 7:30 p. m.

THREE TO COMPETE

Three teams, Ft. Huachuca, Arizona, Camp Anza and Camp Irwin will meet to determine the Southern Security District representative in the forthcoming ASF Ninth Service Command championship round to be held at Santa Barbara September 14th to 17th.

Tonopah Army Air Base, Camp Anza, Fort Huachuca SCU 1922, and the Western Defense Command team will vie for honors in the Allover Army meet. The winner also gets a trip to Santa Barbara and the championship round.

IN LOCAL HANDS

All arrangements of the tournament play are being handled by Torney General Hospital Special Services personnel under the direction of Lt. Joseph P. Bird. Officials for the games are all drawn from the Enlisted Section at Torney.

At least 10 games will be played during the three-day meet, with a possibility of a total of twelve games being necessary to complete the scheduled playoffs.

ARIZONIANS HOT

The SCU 1922 squad from Fort Huachuca is a highly touted aggregation of colored GIs who loom as the team to beat.

Patients and personnel of the hospital will be in the rooting sections when these games are played, and hospital personnel will be host to men of the 21st Ferrying Group of Palm Springs.

FOLDING BAZOOKA GOES INTO ACTION

A folding bazooka, more compact than the original, is now being issued to all invasion forces. The new weapon was originally issued to troops in the tropics.

W. D. WORKERS TOTAL MORE THAN 1,200,000

The War Department now employs approximately 1,200,000 civilian workers, it was learned today by headquarters Ninth Service Command Civilian Personnel Division, Fort Douglas, Utah.

Allegrini to Open Bowling Alley For Season Tomorrow

Ad Allegrini of the Palm Springs Bowling academy will re-open his popular establishment, 378 North Palm Canyon drive, tomorrow evening, he said today.

All twelve alleys have been resurfaced and the equipment brought into excellent shape for a big and busy season.

With the approach of the new season several servicemen's leagues are in prospect from both local military installations and a brisk season is in prospect.

Allegrini announced that Carl de Haven, "the Old Master of Bowling in Riverside county" would manage the alleys and also serve as instructor.

Tim Timmerman will supervise the racks and equipment during the season. Timmerman has been on the job for some time to make sure that everything is in top shape for the opening tomorrow.

Japan Is Subject For Global Gabbers

"What to do With Japan" was the topic of an interesting discussion of the Global Gab group when they met at the Chamber of Commerce building Tuesday evening.

The subject was introduced by Pfc. Vito Gennaro of Torney General Hospital.

It is not well to see everything, to hear everything; let many causes of offense pass by us unnoticed.—Seneca.

Dr. Hill to Speak Twice Sunday At Community Church

Dr. H. J. Hill of Los Angeles will conduct the services next Sunday, both morning and evening, at the Community church, it was announced this week.

He will be accompanied to Palm Springs by his wife and two daughters, Helen and Marilyn, who will provide special music.

Dr. Hill is well known in southern circles as an exceptional speaker.

Last Sunday's services were conducted by Dr. and Mrs. Melvin Sparks, also of Los Angeles. Those who attended Sunday's services were much impressed by the excellent sermons and musical program offered. Both have fine voices and Mrs. Sparks, a talented musician, played both the piano and the organ.

Father of Village Woman Is Killed

Mrs. Anthony Biabashi is preparing to leave for Richmond, this state, following word from that city that her father was killed in a shipyard accident there.

He was crushed between a crane and a truck, the message from relatives informed her.

CHRISTIAN SCIENCE CHURCHES

The Golden Text of the Sunday Lesson-Sermon on "Man" in all branches of The Mother Church. The First Church of Christ, Scientist, in Boston, is from Psalms, and reads: "Praise waiteth for thee, O God, in Zion: . . . Blessed is the man whom thou choosest, and causest to approach unto thee, that he may dwell in thy courts." "Rise, take up thy bed, and walk," commanded Jesus of the impotent man at the pool of Bethesda. "And," according to John's Gospel, "immediately the man was made whole, and took up his bed, and walked: . . . And therefore did the Jews persecute Jesus, . . . because he had done these things on the sabbath day. But Jesus answered them, My Father worketh hitherto, and I work. . . . The Son can do nothing of himself, but what he seeth the Father do: . . . For the Father loveth the Son, and sheweth him all things that himself doeth." "God will heal the sick through man," writes Mary Baker Eddy in "Science and Health with Key to the Scriptures." And she adds, "Truth casts out error—now as surely as it did nineteen centuries ago."

San Jacinto Group Prepares To Fight MWD For Water

With the employment of Chauncey McFarland of Riverside, prominent legal authority on water rights problems, and W. F. Rowe, eminent water engineer who resides in San Bernardino, the San Jacinto River Protective Committee has begun to gather evidence on which to base its demand that the seepage water in the San Jacinto tunnel of the Metropolitan Water District be completely sealed off and that waters drained during construction and since completion of the tunnel be replaced with outside water at the sole expense of the Metropolitan Water District by spreading in the gravel beds of the San Jacinto River near the Soboba bridge.

It is the committee's plan to first make its demands in the form of a letter to the directors of the Metropolitan Water District, pointing out to them that as a result of the construction of the San Jacinto tunnel, according to latest authentic figures, 150,000 acre feet of water has been drained from the valley's watershed.

The Metropolitan Water District admits, it is asserted by the committee, that it had not pumped water from the Colorado river for at least a two-year period and has relied on the San Jacinto tunnel seepage, combined with seepage water picked up in the Val Verde tunnel to supply its needs; also, it assertedly admits taking his water in spite of a promise made to the Board of Supervisors of Riverside county in writing in 1935 that it has no intention to take any waters encountered in course of construction of its aqueduct from the Colorado river, most of which runs through Riverside county. In 1938, the committee declares, it assertedly promised the people of Riverside county that it would completely seal off the tunnel and consider restoring the wasted water by spreading.

In spite of continuous vigorous appeals made by the Board of Supervisors and various interests, nothing has been done to effectively stop the tunnel seepage, which now measures 470 miner's inches continuous flow from the San Jacinto tunnel and 50 miner's inches from the Val Verde tunnel, the committee further asserts.

True delicacy, as true generosity, is more wounded by an act of offense from itself, than to itself.—Greville.

Yuletide Shopping Will Start Early For Men Overseas

Christmas shopping will start early in Palm Springs this year. First date for mailing Christmas parcels to servicemen overseas comes just two weeks from today. Between Sept. 15 and Oct. 15 one box a week may be mailed by the same person to the same addressee overseas without a request from the latter.

"Many of the parcels will have to travel thousands of miles and by various means of transportation," said Postmaster R. M. Gorham. "So it is very important that the parcels be mailed as soon after Sept. 15 as possible so they will be sure of getting to the man overseas by Christmas."

Six TGH Offices Presented Awards For Bond Purchases

In recognition of Torney General Hospital offices which maintain their War Bond payroll deductions at not less than ten percent with 90 percent employee participation, Col. E. T. Thompson, executive and Public Relations officer of the hospital presented voluntary payroll savings certificates to six offices this week.

Leading in War Bond saving is the Secretary of the Board pool, which has 100 percent participation and more than 23 percent payroll deduction. Participation of the Post Signal Office and Civilian Personnel Branch is 100 percent with 13 percent payroll deductions. The Fiscal Division and Public Relations office follow with 100 percent and 10 percent, while Quartermaster has 90 percent participation and 15 percent payroll deduction.

Goal of the hospital is the eventual presentation of the certificate to every operating office.

Thrifty 5 And 10 to Re-Open Doors Tuesday, Sept. 5

Mr. and Mrs. Kenneth DuBose of the Village 5 and 10 and the Thrifty 5, 10 and 25 stores, this week started preparations to re-open the Thrifty store at the corner of Amado road and Palm Canyon drive for the fall and winter season, on next Tuesday, Sept. 5.

Mrs. DuBose, who has been superintending the buying for the Thrifty for the coming season, said she was fortunate in obtaining many "hard-to-get" items which will be made available for Villagers next Tuesday.

The Thrifty has been closed all summer. The Village 5 and 10 remained open.

Miss Thelma Myan will again be in charge at the Thrifty this season.

In the meantime, Mr. DuBose was also adding the finishing touches to an expansion project which added many feet of shelving to the Village 5 and 10 and adequate floor space for four new display counters. The addition will be ready for business within a few days.

Ella Loth Johnson and her sister, Marjorie Schanderl, who have been spending the summer months at Idyllwild, expect to return to their home, 285 Mesquite, in the Village next week.

Nifford at Avalon On Inspection Trip For Irwin Schuman

Gene Nifford, "Orange Julius," was in Avalon, Catalina Island, the middle of the week, on an inspection trip for Irwin Schuman, of the Chi Chi.

Nifford went to the island to look over equipment at Schuman's newly acquired cafe on Catalina to see what was needed to be done prior to opening next summer.

While on the island, looking over the Catalina Chi Chi, Nifford also made arrangements for a location for an "Orange Julius" business there next summer.

"That doesn't mean I plan to leave Palm Springs," he said. "Oh, no, this is my pet here."

Mrs. Zaddie Bunker and Louise Crooks were in San Diego the last weekend, visiting at the home of the latter's mother, Mrs. Harriet Stawpirt.

Katherine Pollock Returns From Stay At Mountain Resort

Katherine Pollock, well known Village realtor, has returned from a three-week vacation at Big Falls, Fallsview, back of Redlands. She reported a delightful vacation in the mountains.

During her absence she received many letters seeking information on homes to buy or rent for the season. She said that practically all inquiries about rental of apartments indicated that the full season occupancy was desired.

The people in Riverside county will soon have the opportunity to elect Frank Dunbar, San Jacinto Real Estate man and Rancher, to the State Senate. Phil Boyd in the Assembly and Frank Dunbar in the State Senate will give Riverside county the two fine outstanding new state representatives in Sacramento this county needs.—Adv.

LAUNDRY SERVICE

We are now back to normal. We have overcome our labor shortage and can now give the public Laundry and Dry Cleaning service within One Week to Ten Days.

We wish to thank all our customers for their patience and consideration during the delay and hope we can now continue to give a regular weekly service.

Are We Imperialists?

The editor of this newspaper will take the risk of being called an imperialist, for when the time comes to decide whether to give to some of our allies the islands in the Pacific we are taking from the Japs, for which thousands of young American lives are being sacrificed at a cost of billions of American dollars, we are quite apt to take the stand that America should keep most of these islands.

America will again be called upon to defend these islands and their former owners if they are attacked. That being the case, surely we should have the right to keep them for air and naval bases.

Furthermore, we will have a terrific unemployment problem after the war. What better way is there to help relieve this terrific unemployment problem after the war than to establish new frontiers for young American war veterans on these far-flung island possessions? The world will be safer with these island possessions in American hands, and we can offer better opportunities to young would-be pioneers in every walk of life than can any other country, which is proven by the records of success of foreigners who came to America and became prosperous citizens.

So the world may accuse America of being imperialistic if they wish. The British have been getting along pretty well under such a program.

Doctor Shortage Pays Off

In the past, when great battles were fought, loss of life was multiplied tenfold because of lack of prompt and adequate medical care for the wounded. But in the present war the story has been different. Even yet the full account of the achievements of medicine on "D-Day" has not been impressed upon the country.

One correspondent reports that within forty-five minutes after the first troops landed on the shores of France, a medical unit was on the beachhead picking up casualties, while in the background a landing craft was being converted into an operating theatre.

During the first day, twenty-two major operations were performed by this single unit. From dawn on "D-Day" until four o'clock in the afternoon, the unit remained on the beach. Blood plasma had been landed and transfusions made from mobile equipment.

Fifty thousand American doctors are in the armed forces. Everyone of them is a trained expert at the business of saving lives. At last those civilians who have had to linger in crowded waiting rooms to secure the attention of the overworked doctors on the home front, can see the reason for the inconvenience thrust upon them.

Head Start Toward Charm

MY, what heavy reading matter you wear, grandma! This isn't a demonstration on how to gain knowledge by absorption but a vision of two members of a charm class taking their first lesson in good posture.

Those giggles are for the camera only. Actually charm is no laughing matter to these two USO Junior hostesses. With the help of volunteer experts who talk to them on various aspects of personality, they're learning to dress and make up becomingly, to smooth unruly locks, to say and do "the right thing" without being stilted.

These charm schools are put on periodically by the National Board, Young Women's Christian Associations and the other USO agencies in their clubs across the country. The girls have a grand time entertaining USO guests but they learn that hostesses have a responsibility to every service man in the club, be he handsome or homely, "smooth" or shy.

One junior hostess said: "Gee, you've no idea how much confidence these courses give us. Sometimes I think this hostess work is war service to help girls!"

Story of Lois Kellogg's Life Told In Copy of Tonopah Paper Received By Friends of Pioneer In Village

The Desert Sun was in receipt this week of the clipping from a Tonopah, Nev., newspaper, giving a graphic account of the life of Lois Kellogg, prominent former visitor.

The clipping was brought in by Mrs. Harriet Cody of Casa Cody, who called attention to a notable part of Miss Kellogg's career which was not included in the Nevada paper's article.

"Out of her large income, Miss Kellogg gave substantial sums in support of a Russian ballet and herself took lessons so that she could say she had danced the ballet," said Mrs. Cody. "She did appear in one performance in Chicago."

LOVES THE DESERT

"She did so love the desert for it gave her freedom of movement and life that her wealth barred from her in Chicago."

The Tonopah item follows: A resident of this district for the past several years and the operator of two of the largest ranches in Nye and Esmeralda counties, Miss Lois Kellogg passed away in a Reno hospital last Sunday morning following a brief illness.

Miss Kellogg was stricken ill at her Fish Lake, Esmeralda county, ranch and last Thursday was entered in the Mines hospital here. Dr. R. R. Craig, her personal physician, considered her condition as such that she needed additional treatment and she was taken to Reno by Dr. Craig and Mrs. Harshman. Despite several blood transfusions and other medical treatment she died at St. Mary's hospital Sunday morning. The body was accompanied to Sacramento for cremation and funeral services were private.

Miss Kellogg was born in Chicago, Ill., and was a member of a prominent Chicago family. She was educated in this country and also had studied in Europe. She had traveled extensively and frequently made trips to Europe. Her grandfather, Charles P. Kellogg, was one of the well known figures of Chicago in the last years of the 19th century.

CAME HERE IN 1917

Miss Kellogg came west with her mother in 1913 for her mother's health. After Mrs. Kellogg's death in 1917, Miss Kellogg decided to make her home in California. She built a home at Palm Springs and lived there for a number of years. Through those years she was interested in Russian wolfhounds and was a partner in the Valley Farm kennels of Stamford, Conn. She divided her time between Palm Springs and Stamford. The kennels were regarded as one of the outstanding in the nation and once received the highest award for dog breeding that this country bestows—the George Mortimore trophy—for the best American trophy-dog of any breed. After the death of her partner, she took over the entire kennel and moved the dogs to California, where she opened the Perchino kennel. She first located the dogs in San Jacinto, but finding the climate too warm there, she purchased the Chiatovich ranch in Fish Lake Valley in 1934. Miss Kellogg took a great in-

City Manager Has Busy Time Putting On the Red Paint

City Manager Ray Sorum is painting the town red.

Just figuratively, of course. City service department workers have been putting on new red coats of paint on curbs in no-parking sections. New green paint also marks the curbs in the limited parking sections.

With the approach of the busy winter season, parking restrictions will be strictly enforced.

Charles Pike Opens New Restaurant Here

A new restaurant opened its doors in Palm Springs this week when Charles (Chuck) Pike took over operation of Chuck's Place, formerly the Harlem cafe at Indian avenue and Andreas road. Mr. Pike will specialize in both American and Mexican dishes.

terest in Nevada and was always interested in cattle and land development. She added some pure-bred shorthorn cattle to her ranch stock to improve the range herd and later developed a ranch at Pahrump in southern Nye county.

Never a woman of strong constitution, but of great energy, she worked tirelessly to build up these ranches and a stock of cattle which would satisfy her. The war and accompanying scarcity of farm labor threw a burden of labor on Miss Kellogg that was too much for her.

When Miss Kellogg was cutting up a rabbit recently she punctured her hand with one of the rabbit bones. Her friends wanted her to cauterize the wound or see a doctor, but this she neglected to do. She developed tuleremia—commonly known as rabbit fever—from the diseased rabbit which resulted in her death last Sunday.

R. E. Thompson Will Establish Candy Factory In Banning

R. E. Thompson, well-known candy manufacturer, who operates a candy factory and store and a fruit-juice bar in Palm Springs, plans to establish a candy factory in Banning where he will manufacture candy for his candy stores here and in Banning.

Ralph W. Burrows is in Banning to take charge of installation of the equipment. He will be manager of the factory and the candy store Mr. Thompson will open there.

Mr. Thompson has leased the building at the entrance of the Desert Inn grounds, formerly occupied by the E. F. Hutton & Co. brokerage office, for his new Village store.

The Banning candy factory will be in operation in about 30 days. It is impossible to buy the proper fixtures, so Mr. Thompson and Mr. Burrows are having these made especially for the Banning plant and store.

Mrs. Charles E. Phillips of Los Angeles was a guest this week of Mrs. Ruth Hardy of the Ingleside Inn, while preparing to reopen her home here for the new season.

6-Lane Freeway to Link Village and Los Angeles

Among the proposed Freeways to be built in the postwar area is one from Palm Springs to Los Angeles tying in with Freeway laterals from San Bernardino and Riverside at Colton and with a Freeway to the beaches through Santa Ana canyon, according to James Guthrie, San Bernardino member of the state highway commission.

The new Freeway which would start at the Village, will be six lanes wide, 200 feet in width and will extend through San Geronimo Pass and Banning and Beaumont to Colton, thence along the Garvey avenue route to the Ramona Freeway, now in use.

It would provide quick access to the metropolitan area from Palm Springs and many cities along the route.

With the elimination of cross roads and left-hand turns it would cut the time to Los Angeles from the Village, even at ordinary speeds, to little more than two hours and a half.

Mr. Guthrie made his statement in a talk to members of the Colton Chamber of Commerce.

That which refines character at the same time humbles, exalts, and commands a man, and obedience give him courage, devotion, and attainment. — Mary Baker Eddy.

Air Base Soldier And Montana Girl Wed At Post Chapel

This has been a busy week for Chaplain (Capt.) Roland J. Martin of the 21st Ferrying Group, Palm Springs Army Air Base. With several marriages performed in the past few days, he officiated this afternoon at the post chapel at the wedding of Sgt. Vincent Anthony Scales, of the Headquarters Squadron at the air base, and Grace Ardis McKinnon of Missoula, Montana.

The bride's mother accompanied her to the Village for the marriage ceremony.

Maid of honor was Mrs. Alberta McKinnon, sister-in-law of the bride, and best man was Sgt. James Doheny, also of the Headquarters Squadron at the air base.

Hans Hansen, well known Villager, and friend of the bridegroom's family in New York, gave the bride away.

Chaplain Martin, who read the vows, is an old friend of the bride's family, knowing them well at St. Ignatius, Mont., where his first parish was located back in 1926.

Scouting Activity Shows Great Gain Here In 7 Months

Scouting activity in Palm Springs increased 50 per cent in the first seven months of 1944 according to figures released by headquarters of the Riverside County and Redlands council, Boy Scouts of America at Riverside.

On Dec. 31, 1943, there were 34 boys enrolled in the Cub and Boy Scout troops here. On July 31, there were 57 boys enrolled.

Troop 39, Boy Scouts, sponsored by the Palm Springs Rotary club, had 17 boys enrolled on Dec. 31 last year and 24 on July 31. Chief of Police Lyle J. Sanard is Scoutmaster.

There were 17 boys enrolled in Cub Pack 80, sponsored by the Palm Springs Lions club, on Dec. 31. On July 31, the enrollment had doubled with 33 enrolled. Policeman O. O. Johnson is the Cubmaster.

Ingleside Inn Will Open for New Year Earlier Than Usual

Mrs. Ruth Hardy, proprietor, said Thursday that the Ingleside Inn, winter home of many notable personages, would open for the new season on Sept. 29.

This is somewhat earlier than the usual opening but requests for reservations have been so heavy that Mrs. Hardy decided to open the Inn and dining room on the September date.

Judge, Mrs. Pinney Return To Village

Judge and Mrs. Guy Pinney returned to the Village yesterday from a vacation spent in Los Angeles and vicinity, the judge coming here on official business in his capacity as city treasurer.

They expect to spend the Labor day weekend in Idyllwild. The judge's leave ends Tuesday when he will again be on the job at the judicial chambers, 810 North Palm Canyon drive.

Two From Air Base Married In Chapel

It was wedding bells for Pvt. Elizabeth Falls, Wac stationed here and daughter of Mr. and Mrs. Harry Falls of Bemidje, Minn., and S/Sgt. Victor Sothern of the army air base, Sunday at the Torney General Hospital chapel.

T/Sgt. Archibald McDonald was best man and Wac First Sgt. Nancy Tutt was maid of honor.

Baby Son Is Born To Village Couple

Mr. and Mrs. O'Dell Holland, 1523 East Ramon road, are the parents of a baby boy born Thursday at 6 a. m. Dr. I. W. Lynn was the attending physician and reports mother and son in fine shape.

American Legion Will Meet Tuesday

Owen B. Coffman post of the American Legion will meet next Tuesday at the Dugout, according to Commander Gordon Feekings.

Adjutant Charles St. George said the meeting would be strictly a business affair.

COMING—Frederic March and Alexis Smith in a tender love scene from Warner Bros. "The Adventures of Mark Twain," life story of the creator of Tom Sawyer, at the Palm Springs theater next Friday and Saturday, Sept. 8 and 9.

Cathedral City

By W. R. HILLERY

Marshall said that what America needed most, at the time of his utterance, was a good five-cent cigar. That wouldn't be a bad idea now but what I would like most now is a good fly swatter.

Edward W. Tanck this week became a voter of our community by registering for the general election. The books close on Sept. 28th and you who have not registered might be more than sorry to miss the fireworks in November. I've been in and out of the village for the past two months but the chores are piling up and from now on I'll be home most of the time and will assist any qualified elector to register.

Rather interesting that a few weeks ago Mrs. Juanita Tennis, our first librarian, should visit the village and this week Mrs. Floyd Musselman who took over after Juanita left, came back for a visit. Mrs. Musselman served as librarian until Mrs. Chester Ide, our present valiant volunteer, took the job. Winnie and son, Floyd, Jr., arrived with Mrs. Bill Cobb and children who in turn were conveying Miss Dolly Piper, Mrs. Cobb's sister. Miss

Piper formerly lived here and will again be employed by Mr. and Mrs. Claude S. Cobb.

Floyd Musselman, Sr., left our village with his family to take up defense work and is still on the job. Young Floyd, together with Robert Higgins and Robert Hillery, were former and still are chums and were called the Three Musketeers while in the grades.

George N. Patrick and family who purchased a home here last season, returned this week from their summer home in Puallup, Washington, but finding the weather rather warm, they ran for the mountains for another week. The Patricks are improving their holdings here as much as labor and material will permit.

Mrs. Jack Reis and family were here last week and were staying at the W. L. Jordan apartments.

The Reises formerly lived here at odd times when they could leave Balboa, their regular home.

We are sorry to hear that Stanley Craig, now in the navy flying service and stationed in Brazil, did not get here to visit

Peter Sheptenko Aids In Training At Base In Texas

"What do you do in the infantry—you march, you march, you march."

The words of that song, writes Peter B. Sheptenko from Camp Fannin, Texas, certainly tell the truth.

But the local real estate broker has now completed this training and has been retained by his battalion headquarters to assist in training of incoming inductees.

"First of all, I am indeed proud to be a member of the Fighting Infantry, who has done, and is keeping right on doing, a swell job in all theaters of war," he wrote.

"I have been retained by my Battalion Headquarters at this camp in charge of the Training Program for incoming trainees, and have found the work to be very interesting.

"Like many others in the service from Palm Springs, I am hoping that it won't be long before we will all be back to enjoy the many wonderful things that Palm Springs has to offer. I wish to thank you for mailing me the Desert Sun, as it sure takes me right back home, while I am reading of what is going on at Palm Springs."

AMERICAN PWs IN GERMANY TO RECEIVE BARRACKS BAGS

American Red Cross will distribute 65,000 Army issue barracks bags, received from the Army Service Forces' Quartermaster Corps, to American soldiers in German prisoner-of-war camps, it was announced today at the Ninth Service Command Headquarters' Quartermaster Corps, Fort Douglas, Utah.

CADET NURSES TRAINED AT 4 NSC HOSPITALS

Four Ninth Service Command Army General Hospitals—Bushnell, Brigham City, Utah; Barnes, Spokane, Washington; Hoff, Santa Barbara, California; and Letterman, San Francisco, California—are now training senior members of the U. S. Cadet Nurse Corps.

TORNEY GENERAL HOSPITAL EVENTS

News of the Enlisted Men of the Medical and Quartermaster Detachments at Torney Army General Hospital, Palm Springs
(Sgt. Robert D. Price)

SEVEN PATIENTS COME VIA AIR

Last week marked the arrival at this installation of seven additional overseas patients. The second group to arrive from the European Theatre of Operations was admitted to Torney General Hospital August 22 for observation and treatment.

Overseas battle casualties received and hospitalized at this station during the week were flown directly from the European theater to Laguardia Field of New York. Changing planes, the group continued on to Palm Springs and were received at the 21st Ferrying Group base.

The list of overseas battle casualties received and hospitalized at this station during the week includes 2nd Lt. Olaf W. Olsen, Air Corps; 2nd Lt. Chester Gustafson, Infantry; 2nd Lt. Richard Seymour, Infantry; and Cpl. George Georgiow, Infantry.

All of the group of four were active participants in the D-Day invasion of the Normandy coast.

Three overseas medical patients accompanied the group and were admitted to Torney. M/Sgt. George W. Mann, Air Corps Ground Crew; Cpl. Charles Akers, Air Corps Ground Crew; and Pvt. Richard Thomas, Paratroops, were assigned to wards of the Medical Service.

USO CAMP SHOW

Laughs came at the rate of sixty a minute and entertainment hit a new high when USO Camp Shows Hospital Unit No. 9 played for patients and personnel of TGH last Wednesday afternoon. Headliner of the company was Joyce Renee, concert violinist, whose excellent renditions of concert favorites and an original composition brought a solid round of applause.

Easily the stand-out act of the show were Senor Carlos and his Cuballeros, whose madcap antics with a variety of harmonicas had the audience calling for more.

Frieda Dova, singer, guitarist, ballet, character dancer, scored well with a group of fiery Latin-American ballads and a novelty dance number.

Old-time vaudeville stars, Chain and Thrusby, provided some nostalgic moments via a patter, song and dance routine of yesterday.

Henry Zimmer, pianist, accordionist, swing styled several popular tunes on the squeeze box and added to the fine performance of the entire company with fine accompaniments.

NEW BONDS FOR CASH

Capt. John D. Blauvelt, Torney's Fiscal Director, announced during the week the start of a new service for officers and enlisted personnel of the command. War Bonds of the new \$10 maturity value denomination are now on sale for cash at the Finance Office in the Administration Building. Bonds may be purchased by military personnel only, at any time during duty hours at \$7.50 per bond.

TGH CHOSEN AS LAY-OVER

Thursday, August 24, Torney General Hospital threw open its facilities to receive 16 patients from the Pacific area as temporary guests.

The group, accompanied by Flight Nurse 2nd Lt. A. J. Lewis of Hollywood, California, was enroute east via air-ambulance

when forced down, due to inclement weather conditions to the eastward, at the field of the 21st Ferrying Group.

Admitted on a temporary basis to TGH and assigned to ward B-1, individual members of the group expressed their happiness on being back in the States and on the way "home."

Leaving Palm Springs at the end of a seven-hour lay-over, the patients continued on a trip which had started in Honolulu, crossed the Pacific in twelve hours and had taken two hours air-time from San Francisco to Palm Springs.

All sixteen of the men, now enroute to various general hospitals—from Texas to the East coast, have been active participants in past campaigns of the Pacific area.

NEW WATER LINES

"They're a good bunch of boys." That's Stanley Goodman's judgment about the Mill Creek convalescents who have worked for him during the five months he has been head carpenter here.

Last week some of the patients helped install part of the new water line, while other jobs they helped on in camp have ranged from repairing billiard cues to roofing the supply building.

Most important, the jobs are assigned so as to give as much benefit to the individual patient as possible. Occupational therapy is a vital part of the reconditioning program, and the work has been oriented in those terms. The patient will recondition himself more swiftly when he sees he is working at something useful. With this fact in view, and not primarily in order to get things done around camp, the work-therapy program has been planned under the direction of Lt. Heller.

Beating out a bunt to first is, similarly, one good way to work the stiffness out of a mended leg. This week's softball series is part, as a result of the sports program which is also planned step by step with the maximum benefit for the patients in mind.

HIT RADIO REVIEW

Convalescents and personnel of TGH combined talents last week to give the finest patient home talent show to date. Special Services and the Reconditioning Section combined talents as Pvt. Herb Vigran (Special Services), patients Jack Olfiero, Hal Horn, Lynne Joyce, Virginia Peterfi, Revis Bourque, Tony Sfounis, Robert Ramirez, John A. Murphy and Benny Love, and civilian employee, Melba Welton presented Show Time, a typical studio radio broadcast.

Four snappy sketches, Room and Bath, The Air Raid Warden, A La Carte, and If Soldiers Selected Their Clothes as Women Do, songs and a jitterbug and conga routine provided an hour of fast-moving entertainment.

All of the patients in the cast are members of Pvt. Vigran's class in radio technique.

NEW MUSIC CENTER

Welcome news to music lovers is the announcement that Cottage 74 is being converted into a music room sponsored by the Red Cross. There will be a file of symphony and light classical albums for use on the electric phonograph, and sheet music for the piano. Easy chairs and air conditioning will make this a pleasant place for listening to musical favorites.

The Red Cross Symphony Hour

We Expect to Come Home Soon Writes Villager In France

From Corporal Joseph Portnoy, well known Villager, now in France, comes a letter:

"Tell Mr. Mills to have a good supply on hand because we expect to be back soon."

Cpl. Portnoy is in the midst of the tough going in France but says he can't write much about it as they would only censor it any way.

"I really miss my Desert Sun over here in France," he wrote. "Ran on to two Palm Springs boys while I was in England—Lt. James Duggan who used to be on the police force in the Springs, and Harry Johnson, better known as Harry, the Swede."

Colin Bragg Joins U. S. Navy, Is Now At Camp Farragut

Colin Bragg, son of Sgt. and Mrs. F. M. Bragg, is now at Farragut, Idaho, starting his career in the U. S. Navy.

He is well known among the younger people of Palm Springs having been here with his mother for the past year. He tried to enlist while in Palm Springs but the quota was full in the south, so he went back to Oregon and succeeded in getting into the navy while there.

His father, Sgt. Bragg, is now in France.

on Wednesday evenings will be held here, also the Tuesday evening Music Appreciation class under Sgt. Price. The opening date of the music room is to be announced.

EXPERT ON COMICS, SPORTS

Results of the hour long Saturday night "Take It Or Leave It" quiz brought out some interesting facts. The GI Joes are experts on comics, sports and advertising. Surprisingly enough questions on popular music, such as naming band leaders, caused considerable brow knitting.

CANDY JAMBOREE

Oh fudge!—Not an exclamation, but the name of the recipe the patients followed for making this favorite candy. Monday, August 21st, the patients took over the kitchen and the results were mouth-watering. Mixer of the first batch was Cpl. A. J. Jackson of Ward E-4. Stirring his concoction on the adjoining burner was Cpl. Johnny Lopez, also of E-4. Chief Kibitzers, general KP and pan lickers were Pvt. Charles Grimmer of E-10. Cpl. Louis Napolitano, and Cpl. Jerry Vega of Ward E-4.

After cooling and cutting, the candy was taken to the Lounge where the casino players, the jive fans, and the ivory ticklers made short work of it.

TOP ENTERTAINMENT

Convalescents and duty personnel fortunate enough to be present, were accorded a real treat last Thursday afternoon when a major portion of the cast of Moss Hart's "Winged Victory" presented some of the highlights of the show. Headlined by Peter Lind Hayes, who has been regaling this reviewer for years, both in pictures and at the Grace Hayes Lodge on Ventura Blvd., the Air Force offered the Stroud Twins, Clarence and Claude, late of the Chase and Sanborn program, and for years Broadway headliners.

Ray Middleton, lately of Hollywood and before that Broadway's "Knickerbocker Holiday," completely stopped the show with his grand opera to the GIs the way they want it, Miss Wilfred Heidt and Eugene Conley were superb.

Absolutely one of the finest bits of entertainment to hit the hospital this season, the boys from "Winged Victory" will certainly be long remembered.

True delicacy, that most beautiful heartleaf of humanity, exhibits itself most significantly in little things.—Mary Howitt.

Honesty is one part of eloquence. We persuade others by being in earnest ourselves.—Hazlitt.

YOU'RE IN THE ARMY NOW

By Maj. Herc Ficklen

"To heck with the snipers—I just heard a cackle over in the barn—I'm getting me a mess of eggs for breakfast."

Work of Mountain And Desert Artists Will Go On Exhibit

Work of desert and mountain artists will be on exhibit at Idyllwild Inn as a Labor Day holiday feature, it was announced today. Village artists will have paintings displayed. The exhibit will be open from 11 a. m. to 10 p. m., Sunday and from 10 a. m. to 6 p. m., Monday.

Exhibitors whose work will be on display include:

Agnes Pelton, oils; Edith Haggerty Bishop, oils; Karma M. Funk, oils and watercolor; Lora Woodhead Steere, portrait sculpture; Kurt Reineman, oils; James Wolseth, oils; Harriet Hill, pastels and charcoal; Hazel Lee MacNaught, oils and watercolors; Christina Lillian, pastels, charcoal and wood sculpture; Helena Peck Wise, monotypes, painted on glass and transferred to paper.

There will also be a section devoted to art photography, and a section to children's work.

Joe Sandeffer in Hawaii With Navy, Parents Informed

Joe Sandeffer, S 2/c, well known Village youth who went into the U. S. Navy last fall shortly after graduating from Palm Springs high school, is now in Hawaii, his parents, Mr. and Mrs. J. P. Sandeffer, learned this week.

While at San Diego, Sandeffer was in the same outfit with Jerry Tracy, son of Mr. and Mrs. Harold Tracy, but the two Village youths were separated when sent to Hawaii.

CAMP ROSS WACS WIN NSC SOFTBALL CROWN

Possessor of the Ninth Service Command WAC softball championship trophy is the Camp Ross, Wilmington, California, team which successfully defeated competition entered from military installations in the Command representing eight western states, it was announced at NSC headquarters, Fort Douglas, Utah.

Whenever education and refinement grow away from the common people, they are growing toward selfishness, which is the monster evil of the world—H. W. Beecher.

The hearts of men are their books; events are their tutors; great actions are their eloquence.—Macaulay.

For Essential Transportation—U-Drive Cars. Phone 4444.

HOW DEMOCRACY WORKS!

Alarm Clock Calls EMs From Pool But How About Shrubs?

Lt. L. H. Talbot, who two weeks ago sounded an appeal for spare clocks and Oleander bushes for the enlisted men's swimming pool at the Palm Springs army air base, said this week the men splashing in the pool now had time on their hands in more ways than one.

Last week, E. H. Parker, engineer at the Desert Inn, read the appeal for a clock in The Desert Sun and donated one to the EMs. This week, C. B. White of Banning, also read the story in The Sun and sent a Big Ben alarm clock.

Now the EMs, enjoying a cooling plunge do not even have to keep an eye on the clock so they won't overstay their time off. All they have to do is set the alarm and dive in.

But they could still use the Oleander bushes. Any having same will earn Lt. Talbot's gratitude and that of the men, letting him know by dialing 2272 and asking for extension 128.

I have been more and more convinced, the more I think of it, that, in general, pride is at the bottom of all great mistakes.—Ruskin.

Building Permits Fall Off With 3 Issued In Week

Three building permits, all for repairs or remodeling, were issued during the week by Arthur F. Wright, deputy building inspector, adding \$350 to the year's building record.

So far in August 18 building permits valued at \$5990, have been issued and in 1944, to date, 158 permits with a value of \$65,279.50.

Permits issued this week were:

August 25—
G. S. Lamberton, 1210 South Palm Canyon drive, re-roofing, Perry Sanders, contractor, \$50.

Irwin Schuman, 217 North Palm Canyon drive, addition of private office, \$200.

Benton Beckley, 138 East Andreas, remodeling entrance to Andreas Inn, \$100.

Don Hall On Vacation At Mountain Resorts

Don Hall, who has been managing the Waikiki cafe for Mr. and Mrs. Joe Felix, is in the San Bernardino mountains on vacation.

Mr. and Mrs. Felix, who have been in and around Los Angeles on vacation, are again on the job at the Waikiki but Felix, "Portogee Joe", is hopeful of getting into the maritime service again soon.

The happiness of life depends less upon what befalls us than upon the way in which we take it.—Lavater.

Maloot Department Store Moves Into New, Larger Home

Business changes were in progress on South Palm Canyon drive in the vicinity of Arenas road this week.

Most important was the moving of the Maloot Department store from its long location at 274 South Palm Canyon drive to the property recently purchased by S. P. Maloot, extending from Arenas road to the Plaza properties, on the east side of the drive.

Mr. Maloot did his last day's business at the old place yesterday and will open in his new and larger location Tuesday. The Acoma Indian Curio store, Mrs. Ruth Bibb, has moved one store south to the room just north of the Tahquitz Pharmacy and the Maloot store will occupy the remainder of the building.

There was a scene of great activity at the new location today as carpenters and painters rushed preparations for Tuesday's opening.

Muriel Fulton Now On Job Again After Idyllwild Vacation

Muriel Fulton, prominent Village realtor, returned this week from Idyllwild where she spent her vacation and is again back at her office, 482 North Palm Canyon drive.

During her absence, the offices were redesigned and redecorated in a new modern color scheme. From advance inquiries, Miss Fulton foresees a busy season just ahead in Palm Springs.

Clyde N. White who managed the office during her absence this summer will handle rentals and property management this coming season.

Miss Fulton's mother, Mrs. Irma Fulton of San Francisco, spent the summer with her at Idyllwild.

O. S. McKinneys Plan To Return This Month

Mr. and Mrs. O. S. McKinney expect to return to Palm Springs from Long Beach early this month.

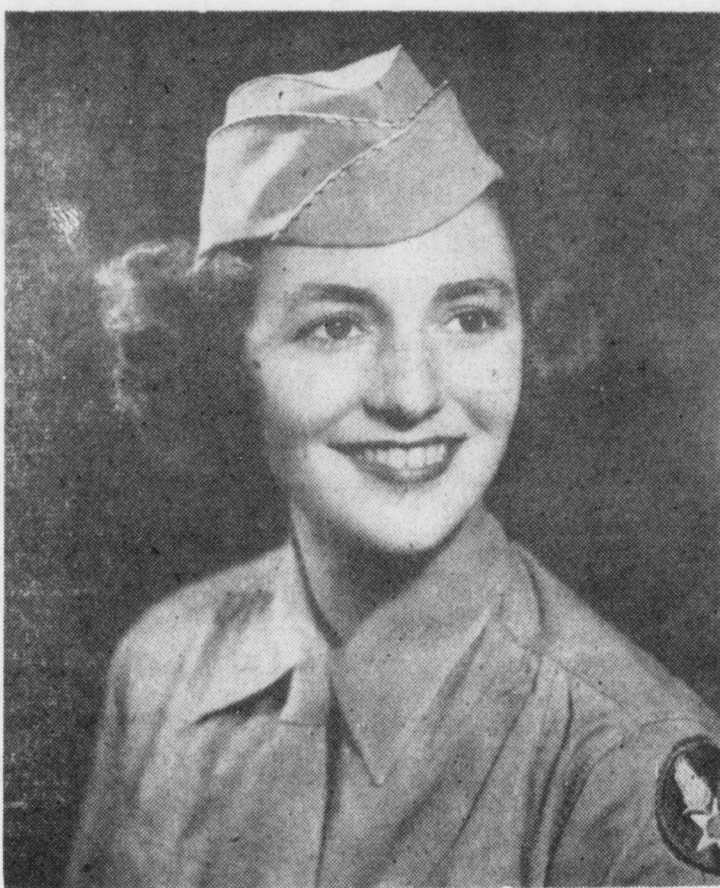

Lt. Willard McKinney returned last week from India to be with his parents for a short visit but left soon on another aerial trip which will keep him away from home for about four months.

Another son, Lt. Ted McKinney, is now in New York.

For Essential Transportation—

Portrait of the Week

By BERNARD
of Hollywood

Pvt. Irene G. Russel . . . in the Village since May with the Wac detachment at the 21st Ferrying Group air base. . . . Born in Washington, D. C. in (censored) she has been in the army for five months . . . and loves it . . . hopes to be sent overseas to (censored) and if successful, hopes to meet father (navy) and brother (army). Is still single and regarding romantic interest, says that, too, is censored . . . a military secret.

MORE ABOUT . . .

Forest Fires . . .

made great headway when the first fire fighters arrived. It swept across 4000 acres Sunday, had covered 8500 acres Monday, 12,000 Tuesday and 40,000 by Wednesday night.

Bad weather conditions hampered the hundreds of men on the firing line the forepart of the week but favorable weather conditions prevailed Thursday.

THROUGH BRUSH

The fire swept through mostly brush area although some timber was reported destroyed when the blaze swept into the San Bernardino National forest, covering 4500 acres in steep and rugged country on the south side of El Toro peak. Tuesday the blaze swept the Chihuahua valley where many small homes are located. None were reported destroyed although state forestry trucks stood by ready to evacuate the residents.

At the height of the blaze 550 soldiers from Camp Haan aided forestry service members in battling the blaze and the equipment included bulldozers from San Diego, San Bernardino, Orange and Riverside counties. A total of 35 fire trucks were reported at the scene at times although some equipment was released late Wednesday and Thursday when the flames swept eastward toward desert territory where the brush was scant.

REPELLED BY HIGHWAY

For awhile it appeared as if the flames might reach into heavy timber in the San Jacinto region and it was twice reported to have crossed the Palms to Pines highway but both times was repelled. The highway was closed for awhile.

Ranger J. W. Tomblin of Perris headquarters of the state forestry service was in charge of fire fighters at the blaze in the Anza region and also in the Aguana region along the San Diego county border. He was joined by W. H. Coupe of the Pasadena district and U. S. Forestry officials.

INTO U. S. FOREST

When the blaze reached into the San Bernardino National Forest, Supervisor William Peterson of the U. S. Forest Ranger station at Del Rosa took over there. Five specially trained fire-fighting supervisors from the Los Angeles county fire department also were at the scene of the flames at their height.

Tomblin reported that, while sidelines of the blaze were kept under comparatively good control, the head of the fire traveled so rapidly it was difficult for crews and equipment to keep up with it.

While the two big fires raged south of the Village, smoke from a half dozen other fires near the coast drifted eastward along the north edge of the desert, leaving but the western sky free from smudge.

Mrs. Jane Gray of the Village Inn is reported seriously ill at her home here. She recently returned from Banning where she went to spend the summer months and expects the desert climate to speed her recovery.

MORE ABOUT . . .

Villager Hears . . .

his mother and other relatives fled to a Croatian village where they found safety. Later she went to visit another aunt and uncle and while there the Fascists came and took away the uncle to a concentration camp where he died. His mother and aunt were taken to forced labor camps in Poland.

Of the 800 Yugoslavians who fled the Axis invasion, a scant 200 remained when they found their way into liberated portions of Italy. From there, with other refugees from the south of Europe, they were brought to the United States and have found a temporary haven, for the duration, at Fort Oswego.

ARE DESTITUTE

"But they are destitute. They came with only the rags on their backs. Refugee organizations in Los Angeles and New York have started collection of small sums to buy the necessities of life for these poor people," said Haas. "Soap, a razor, an extra shirt or pair of socks, that's what they need most."

"It won't take much, just a few dollars here, a few dollars there. They have asked me to accept contributions in Palm Springs. So if any Villagers wish to aid these refugees with the bare necessary items, I will be glad to accept contributions. They will be deposited at the Bank of America and all will be fully acknowledged in The Desert Sun."

TO AID REFUGEES

"Cash or checks can be brought to me at No. 6, the Plaza, and I'll see that these refugees who suffered so much at the hands of the Nazis are made a little more comfortable."

"Remember, they are not begging but they ARE destitute. They think America is the most beautiful country in the world."

Village Sandwich Shop To Re-Open Doors Tomorrow

Mr. and Mrs. George Dennis returned to the Village this week from the second half of their August vacation.

Mr. Dennis at once busied himself with plans to re-open the Village Sandwich shop which has been closed during August for redecoration and remodeling.

He hopes to be ready tomorrow but if not, the Sandwich shop will be doing business again the fore part of next week.

Mr. Dennis will have the popular Sandwich shop open for business tomorrow with the same efficient staff and the same high standard breakfasts, lunches, dinners and suppers which prevailed before.

Just back from Mexico City, Mrs. Ruth Bibb of the Acoma Indian Curio shop, plans another buying territory into Arizona and New Mexico, preparatory to opening about October 1 at her new location, 190 South Palm Canyon drive, just south of the old location.

Allen R. Hall, Jr., Wounded In Tinian, To Be Home Soon

Allen R. Hall, Jr., son of Mr. and Mrs. Allen Hall, well known Villagers, is expected home some time this month, according to word to his parents. The youth, who was prominent in athletics at Palm Springs high, especially in football, is now at Bremerton, Wash.

A corporal in the U. S. Marine Corps, he was wounded on Tinian in the Marianas and later sent back to the mainland.

Another son, William, a signalman, second class, in the U. S. Navy, has been in France since D-Day. He wrote recently that he expected a furlough and might be home soon.

Mr. and Mrs. Hall are hoping that their two sons are here at the same time.

Mrs. Hall, recently on the staff at the Palm Springs post office, is now in charge of the branch post office at Torney General Hospital.

Marine Flyer And Florida Girl Wed In Village Church

Thomas R. Perry, lieutenant in the United States Marine Corps air force, and Miss Jessie Barnett Collette, friends of Flight Officer James W. Lipscomb of the 21st Ferrying Group, and Mrs. Lipscomb, will be united in marriage tomorrow afternoon at the Community church with Chaplain (Capt.) R. J. Martin of the army air base, officiating.

Flight Officer Lipscomb will be best man and Mrs. Lipscomb, maid of honor.

Lt. Perry is a resident of Miami, Fla., and the bride-to-be came west from her home in Crescent City, Fla., for the ceremony.

Villagers Attend Funeral Tuesday For Tom Donahue

Mrs. Ruth H. Hardy of the Ingleside Inn, Gordon Feehings, Arthur Wills and Phil Kasper attended last rites for Tom Donahue, well known Villager and employed at the Ingleside Inn for the past few years, at Pierce Bros. Mortuary in Los Angeles Tuesday. Father Phelan of Our Lady of Solitude church here, accompanied them and officiated at the funeral.

Interment was in Holy Cross cemetery.

Mr. Donahue succumbed last week in Los Angeles after a brief illness. He came to Palm Springs about five years ago and had many friends here.

MORE ABOUT . . .

War Chest . . .

discuss details for the 1944 campaign.

The local quota will not be fixed until the various agencies benefiting here, have submitted their budgets for the year. The amount of local collections which go to the national agencies, will be determined later, Mr. Holland said.

Dates for the national drive are Oct. 9 to Nov. 11, but, locally, Mr. Holland expects to clean up the drive in much shorter time. Present plans call for the start of the local drive on Oct. 18 and its termination on Oct. 31.

MORE ABOUT . . .

Paper Salvage . . .

fats are vitally in demand. Take the grease to your butcher.

METALS TO DUMP

"Metals of all kinds, rubber and tin cans, should be sent to the city dump. If needed they will be picked up by special machinery by the W. P. B. But please take your waste paper and rags to the new paper corral."

Mr. Illick praised the action of the Tribal Committee in providing land for the corral free of charge as their contribution to the war effort.

He was grateful, also, for the co-operation of Mr. Vieth and Chief of Police Lyle J. Sanard.

William McKinnon is spending his vacation at the Del Tahquitz hotel, Mrs. McKinnon is spending a few days in Beverly Hills but plans to return soon and they will remain here for the season.

Are You Eligible to Vote At Nov. 7 General Election?

Are you registered and eligible to vote at the Nov. 7 general election?

After today, there remain but three weeks and six days in which to make sure of your vote.

Registration for the general election closes on Sept. 28.

In Palm Springs, Mrs. Louise McCarn, city clerk, and Miss Marylou Kingsbury, deputy city clerk, are official registrars and in Cathedral City, W. R. Hillery is the official registrar.

Bud Mack In Town After Film Vacation

Bud Mack of the Doghouse was in the Village this week mapping plans for the new season. He spent the summer in Hollywood and while there was in the cast of "Hollywood Canteen," a movie soon to be released.

Miss Patsy Goodrich, daughter of Bill Goodrich of the Plaza, is visiting friends in Reno, Nev., while on vacation.

Driving Tests To Be Given Here On September 21, 22

Village motorists whose driving licenses have expired or are about to expire, may have them renewed by applying at the Chamber of Commerce on Sept. 21 between 11 a. m. and 6 p. m. and on Sept. 22 between 8 a. m. and 1 p. m., Chief of Police Lyle J. Sanard said today.

Deputies from the state motor vehicle department will be in the Village on those days.

"Of course unexpected circumstances may force a change in these dates or hours but if so, the public will be informed in ample time," the chief said.

Kofeldt to Attend Important Session

Walter Kofeldt, executive secretary of the Chamber of Commerce will attend a two-day session of the Pacific Coast Transportation Advisory board, of which he is a member, at Los Angeles Sept. 20 and 21.

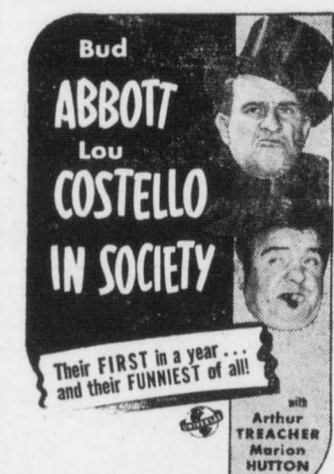

It will be the 66th regular meeting of the board.
